Index Multimedia launches new intimate esoteric services to be the partner of your life: www.astroweb.fr and www.astroweblive.fr

Wishing to expand its business to the esoteric and clairvoyance growing market complementarily with its existing innovating range of products and services dedicated to the mobile and Internet, the Toulouse based company Index Multimedia, launches two new intimate services: www.astroweb.fr and www.astroweblive.fr for individualized advice and guidance.

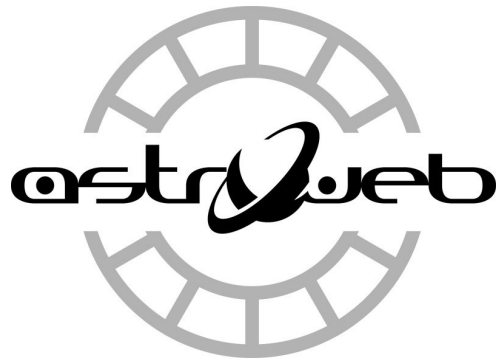

Astroweb.fr, exhaustive and user friendly, offers you an opportunity to know yourself better, to face the future with serenity and to solve your private problems.

1. **Professionals in all the esoteric domains such as horoscope, astrology, numerology, Tarots and clairvoyance a ready to listen to you.**
2. **They provide intimate consulting in all the traditional divining sciences**
3. **You can benefit from a first free personalized consulting by email and the clairvoyant, that you have selected can call you back for free:**
4. **Promotional offers are also available**
5. **And you can use the most convenient way of communicating with the clairvoyants or mediums of your choice from the different access channels provided (WEB, SMS, IVR, mail).**

With Astroweb.fr you can also be trained and get introduced to the divining arts world with the advice of professionals on video.

Astroweb is a true partner for your life.

On **Astroweblive.fr** the most famous clairvoyants and mediums are holding audiotel consultations, you will be surprised by the quality and accuracy of their predictions. Select one to be your guide to a bright future.
